AM/0523/05 Resident Comments

- 1) CARE member gave details of activities planned for this year as Summer Dinner (July); Film Night (Sept) and Bonfire (November).
- 2) A discussion was held on the future of the Church which is a concern, it was agreed that a separate meeting be held between the parish council, CARE and the PCC.
- 3) A question was raised on the requirement that wind farm applications needed to be match funded, Councillors Miles and Corbett explained the reason for this and that each application was considered on a individual basis.
- 4) A discussion was held regarding concerns that since Severn Trent had introduced car parking charges at Sheepwash the villages (particularly Carsington) were full of cars. It was agreed to explore options to offset this with Severn Trent (for example funding) and with DCC (for example, resident permits).
